

Alan Tilley wins UK Turnaround Practitioner of the Year

At the Insolvency & Rescue Awards on 21st October 2010 and in front of 600 assembled industry professionals, Alan Tilley received the award for UK Turnaround Practitioner of the Year. This is recognition of the fine team effort on the La Seda de Barcelona assignment so as much of the credit must go to David Bryan, whilst Carlos Gila would also qualify but for accident of birth. It is a great honour for BM&T.
